Summer is here, basking in sunshine. At the time of writing this the weather is mixed with some sunshine and rain. Looking forward to the sunshine. The spring clean has produced many new lots from vendors. More from the collector material break down which includes Great Britain, Rhodesia, Canada and Newfoundland. Many collections and singles are being offered. The Postal History section has many new lots. We are unable to illustrate these lots for the extra cost on the production of the catalogue. But I am happy to email images of any of the items to give you the chance to see them. A picture can speak a 1000 words. Please be aware we can offer digital images but not hard copies.

Bid forms that are mailed to us need to have valid stamps on the envelope. We have had old regionals and old definitives on envelopes. The forged stamps have created £5 fines to collect a letter from the sorting office. Be aware that the forged stamps are generally flat and genuine stamps have a slight raised surface on the barcode. If you have posted a bid form you can check prior to the auction closing that the bids have been received. You can also check to see how you are getting on.

Good luck with your bidding, Colin and Pauline.

Office opening hours Monday – Friday 9.00am – 5.00pm
